### Important Tips for Success

We cater to any size party – large or small. You may have the food delivered or pick it up at our restaurant.

A confirmed count is requested 7 to 8 days prior to the event. Pricing is based on number of people; if your count should fall, the price would be adjusted accordingly.

All caterings must be paid in full at least 3 days prior to the event unless approved by a manager.

A travel charge to out of town events may apply.

### Tables and Linens

Please provide tables or counter space for food and beverages. White linen table covers are provided at no charge for the beverage and food tables. Linens for all other tables (guest tables etc.) may be provided at \$5.00 per cloth, it would be your responsibility to pick the linens up 1 to 5 days prior to your event and cover those tables. Linen napkins may be provided at \$.35 per napkin unfolded and \$.50 per napkin folded. Black skirting is also available for the food and beverage tables at no charge.

### Paper ware and China

All paper products are included at no extra charge for buffets. The charge for china and silverware ranges from \$2.00 to \$4.00 per person, which covers breakage, cleaning and rental. A full setting (\$4.00) includes dinner, salad and dessert plates, silverware, water glass, coffee cup and saucer. A partial setting (\$2.00) includes a dinner plate, fork and knife; we would then provide paper products for the dessert plates, dessert forks and coffee cups.
